

TRUSTEES' MEETING

ORDINANCE ADOPTED PROVIDING FOR ISSUANCE OF WATER BONDS IN DISTRICT 1

The Board of Trustees met in regular session at the City Hall at 8:05 p. m. April 4, 1918. All members present at roll call.

The minutes of the last regular meeting were read, and a correction ordered to be made on page 351 to show that the report of the committee on street numbering and naming shall be made to a mass meeting. With this correction, the minutes were approved.

A communication was read from the Bowers Rubber Company, stating that on account of the increased cost of materials, they would be obliged to withdraw their bid for supplying fire hose on the contract awarded them some time ago, unless the City paid the advanced price for the hose. Mr. Wilson, representing the rubber company, made a statement and on motion of Trustee Woodberry, it was ordered that the communication be received, the award of contract canceled and the check of the bidder returned.

A communication was read from the Gorham Fire Apparatus Company, stating that as the ten days have expired in which it was stated in a previous communication would be the time limit on that company's bid to install a pump on Knox Combination wagon for the Fire Department, the return of their certified check was complied with and the check ordered to be returned.

A communication was read from the Railroad Commission of the State of California, giving notice that the hearing in the matter of the petition of the City of Glendale to fix the valuation of the property of the Southern California Gas Company, has been reset for April 24, 1918, at ten o'clock a. m. in Room 205, Union League building, Los Angeles. On motion of Trustee Grist, the communication was ordered to be filed and referred to the City Attorney.

A notice and demand by A. C. Robinson addressed to the Board of Trustees and the City Clerk of the City of Glendale, was presented and read, in which Mr. Robinson makes a claim for the alleged unwarranted taking over by the City of Glendale of 1690 linear feet of standard steel casing pipe; also 241 linear feet of two-inch screw pipe with certain valves, etc., claiming the total damages in the amount of \$1500.00.

The Manager of the Public Service Department stated that the said property had been transferred to the City of Glendale by L. C. Brand, who guaranteed title to the same and agreed to protect the city's interest in this matter. On motion of Trustee Woodberry, the communication was referred to the City Attorney with instructions to look after the city's interest in the matter.

Applications for permit to sell milk were presented from W. C. Wyckoff and Mrs. N. E. Chase, both of which being approved by the Milk Inspector, were, on motion, granted.

Four of the members of the Library Board were present, and Mr. McElroy, President of the Board, made a statement in regard to the expense of the work of enlarging the branch library in the Tropico District. He also spoke at some length in regard to the library fund, and the matter was informally discussed by the members of the Library Board and the members of the Board of Trustees. No action was taken.

Reports were presented from the City Clerk, Building Inspector, City Treasurer, City Tax Collector and the Health Officer—all being ordered filed.

A majority of the committee appointed to investigate the matter of a new street naming and numbering system was present and presented a written report, which on motion of Trustee Muhleman was ordered to be read, and Chairman O. A. Lane addressed the Board in support of the recommendations contained in the report. On motion of Trustee Grist, the communication was ordered to be filed and to be presented at some future date to a mass meeting called for the purpose of discussing the matter.

The following demands were presented and referred to the Finance Committee:

Hartley Shaw presented a petition signed by Hartley Shaw and about one hundred other electors residing in the City of Glendale in that portion which formerly constituted the City of Tropico, asking that proceedings be taken for the formation of a District to be known as Municipal Improvement District No. 2 of the City of Glendale, for the purpose of creating an indebtedness to pay the costs of acquiring works for the distribution of electricity to the inhabitants of said district. GERMANS PRESS TOWARD AMIENS

MASSED TROOPS BEING FORCED TOWARD OBJECTIVE CITY FROM THREE DIRECTIONS, SIMMS REPORTS

(By William Philip Simms, U. P. Staff Correspondent)
WITH THE BRITISH ARMY IN FRANCE, April 5.—Big guns are shelling German troops massed on the road southwest of Albert and parallel to the railroad running from that city to Amiens. It is not yet apparent whether the Germans intend to storm the embankment. The British hope they do. They are prepared.

Reports from south of the Somme indicate that the fighting has died down. The Germans in frantic efforts to take Amiens are pressing forward from the northeast, the east and the southeast following the three railway lines converging from that city in those directions.

The British after beating off several assaults, inflicting heavy losses, were forced back to positions east of Villiers-Bretteux. This town is eight miles east of Amiens, and marks the closest approach of the Germans to their objective. To the southeast the nearest approach is Moreuil, ten miles away. The northeast route is from Albert to Corbe to Amiens. The Germans are firmly held here on the outskirts of Albert, sixteen miles away. Here the enemy is concentrating to storm Corbe today.

ENEMY ASSAULT NEAR AMIENS FRUSTRATED

GERMAN ATTACK WITH 180,000 MEN, HALF OF WHICH WERE FRESH, REPULSED BY FRENCH

(Special Service to Glendale Evening News)
PARIS, April 5.—A German attack on French positions southwest of Amiens with 180,000 men, nearly half of which were fresh, was wholly frustrated, the French war office reported. The assault had as its objective the capture of an important railway. The communication described the enemy casualties as cruel. The French forces drove the Germans back in the neighborhood of Moreuil and recaptured several important positions to the south.

"We advanced to the west of Castel, which is two miles northwest of Moreuil toward Amiens," the report stated. "We drove the enemy back from Arrecourt Wood. By counter attacks south of Grivesnes we occupied St. Aignin northwest of Montdidier. We captured most of Ekinett Wood and extended our positions to the north of Montrenaud. Thursday night the Germans attacked with 180,000 men, of which seven divisions were fresh, but failed to reach their objective—the railway between Amiens and Clermont. We maintained our lines as a whole. Enemy casualties were cruel."

GOOD TALKS PROMISED

NOTABLE SPEAKERS FOR THE BIG PATRIOTIC MEETING TONIGHT

It has been asked who these men are that are to speak at the Glendale High School Auditorium tonight. Capt. Donald Thompson has been on all the battle fronts of Europe for two years. He's been in everything from battles to jails—especially battles. Has been wounded several times, barely escaping with his life. He's hobnobbed with kings and trench rats. In fact he's been into and seen it all. A man who tells strange experiences in a fascinating way.

Leslie Henry is the man who is drawing record crowds in Los Angeles. He is reported to be their most popular speaker. He will tell you all about Liberty Bonds—why you should buy them, what the Government will do with them, our duty in this war, what the war has taught us. He has a punch in every word. You will be sorry to have him stop.

We are mighty fortunate to have an opportunity to hear these men. They are truly big speakers. They know how to put over a strong and interesting talk. Do not miss this big meeting. Be there at eight o'clock and bring your friends.

AN OPPORTUNITY TO HELP

The Liberty Loan Publicity Committee asks for the services of about six men for a few hours Saturday morning to assist in placing Liberty Loan posters in the windows of the business houses in Glendale. This is patriotic work and the committee will appreciate your help. Report to H. B. Lynch, Chairman of the Publicity, 8:30 o'clock Saturday morning, Public Service Department, City Hall.

PATRIOTIC MEETING SUNDAY

One of the local committees working in the interest of the Third Liberty Loan drive, Rev. W. E. Edmonds, Menzo Williams, W. A. George and W. E. Hewitt, have arranged for a patriotic meeting at the Central avenue school Sunday morning at 11 o'clock. Dr. Julius Soper will preside. The principal speaker will be Professor W. Maxwell Burke of Occidental College. Special music. Everybody welcome

LOAN WORKERS NAMED

(Continued from Page 1)

Richardson D. White, Principal Grammar School, Captain Grammar School Team.

Team Members

The pupils of the Grammar Schools as designated by the Captain.

Women's Organizations

The various women's organizations now operating independently are cordially invited to co-operate and work with this organization, which has been made under authority of the Treasury Department. Proper statistical records will be kept at our headquarters and they will show what each organization and team has done in selling Liberty Bonds.

Each person listed above as a Captain or team member has been given, under authority of the Treasury Department, a formal, official appointment, which makes him a government agent.

Every team member is expected to attend a meeting at the Red Cross Headquarters, over the Bank of Glendale (Boulevard Branch), at 8 o'clock sharp, tomorrow (Saturday), evening, for the purpose of receiving final verbal instructions.

Card records of all the residents of the Glendale jurisdiction, now ready, will be distributed to the various Captains at the conclusion of this meeting. Every card so issued must be accounted for, with report thereon, as the canvass proceeds, to the Secretary of the Committee, A. L. Lawshe, at the Liberty Loan headquarters.

The card records of residents of the jurisdiction, prepared by direction of the government, can only be distributed to workers pledged to make daily reports on these cards to the headquarters of the committee, as herein mentioned. The use of these cards will ensure that every citizen of record will be canvassed, and the fact that no team will canvass persons other than those on its cards, will eliminate duplication of effort. It is proposed that every individual will be canvassed by three separate committees in succession if he does not make a proper subscription when first approached. The plan outlined by the government ensures systematic effort and a correct compilation of results.

During the drive the headquarters, over the Bank of Glendale, will be open each evening as well as during the day for reports.

The government expects every committee worker to do his full duty. Let us not have a single slacker.

Let us make it our aim to over-subscribe our quota of the Third Liberty Loan in the first week of the campaign. Why take three weeks to do what we can do in one week? Let us get into the game vigorously and go "over the top" quickly!

F. H. VESPER, Chairman.

A. L. LAWSHE, Secretary.
